Environmental Issue Presentation Assessment

Of the presentations that will be given today you must complete an assessment for 5 presenters. It is up to you which 5 you will evaluate.

Name of Presenter: ____________________________________________________________

Environmental Issue: _________________________________________________________

Rate the person on a scale from 1 to 5, 1 being lowest and 5 being highest, on the following criteria.

1. The presenter spoke clearly and made eye contact with the audience.  1  2  3  4  5
2. The information presented was organized and easy to understand.        1  2  3  4  5
3. The presentation was interesting.                                        1  2  3  4  5
4. The presenter was prepared and understood what they were talking about. 1  2  3  4  5
5. I think the person did a good job.                                       1  2  3  4  5
6. The presenter acted appropriately.                                      1  2  3  4  5

What did you learn from this presentation?

Out of 50 possible points, what would you give this person for their presentation? Why?
