ABOUT GUEST SPEAKERS & MORE

It is vital that this curriculum is delivered with the assistance of guest speakers. To help teachers find people to invite into the classroom &/or find guests to join the class on field trips, you’ll find 2 documents in the Guest Speakers Folder (one for statewide human resources, the other by island).

These lists are just a start, and you may also want to ask around at your school for more names. In particular, contact your school’s Hawaiian Studies teacher.

Also, if you know of other speakers who would be willing to be listed, please let us know so we can share this information with everyone on each island.

Finally, please refer to the Tips for Guest Presenters sheet in the Intro Unit (both student and teacher folders, Notes to Start). These sheets are designed to help ensure the best use of class time for all.
