HUMAN RESOURCES AROUND THE STATE

Assistive Technology Resource Centers of Hawaii (ATRC)  Tel. 532-7110x1
Contact Person: Jodie Asato, Information and Resource Specialist
Summary: Jodie call tell you more about what the center has to offer for special needs students, including a computer lab and software for classroom use. Some resources can be accessed in the outer islands.
Web site:  http://www.atrc.org
E-mail: atrc-info@atrc.org

Association of Hawaiian Civic Clubs  Tel. 394-0050
Contact Person: Leimana Damante, Manager for the Ocean Resources Committee of the Association of Hawaiian Civic Clubs. You can reach her at leimana@fastnethi.com
Summary: This organization may be able to connect teachers with volunteers who are knowledgeable about your own community and experienced presenters for field trips or classroom visits. Toni Lee, President will also have information for all islands.
Address: P.O. Box 1135 Honolulu, Hawai'i 96807
E-mail: hawaiimaoli@hawaii.rr.com

Hawaiian Electric Company  Tel. 543-7534
Contact Person: Sam Nichols, Education and Consumer Affairs.
Summary: Check out HECO’s Web site for statewide information and look under “Generation-e” for the Resource Center and projects in the community. There you’ll find out how to contact guest speakers for a number of different topics related to energy. Also, there are many student readings, some lessons, and lots of videos and other materials to borrow. Hawaiian Electric Companies are on the islands of O‘ahu (HECO), Hawai‘i (HELCO) and Maui County (MECO). Kaua‘i is served by the Kaua‘i Island Utility Cooperative (go to: www.kiuc.coop).
Web site: www.heco.com

Ike Pono Hawai‘i, Hawaiian Traveling Resource Program (Kamehameha Schools)  Tel. 842-8781
Contact Person: Call toll free: 1-800-842-IMUA ext. 8781 to ask for a “Service Request Form”
Summary: Kamehameha Schools, Extension Education Division, offers presentations on selected aspects of the Hawaiian culture to students throughout the State of Hawai‘i. Reservations need to be made in advance and there may be a fee.
E-mail: www.ikeponohawaii.ksbe.edu

School of Ocean Science and Earth Technology (SOEST) at UH-Mānoa
Summary: Check out their homepage for activities, outreach programs and speakers for your school. Long term planning may enable SOEST to find guests
for visits outside of O'ahu. Also, every odd year they offer a 2 day science fair in the fall that is well worth attending if you can get to UH-Mānoa on O'ahu.
