HUMAN RESOURCES for O’AHU

Assistive Technology Resource Centers of Hawai‘i  Tel. (808) 532-7110x1

Contact Person: Jodie Asato, Information and Resource Specialist
Jodie can tell you more about what the center has to offer, including a computer lab and software for classroom use. They may be of great help for students with physical and/or learning disabilities.
Web site: http://www.atrc.org
E-mail: atrc-info@atrc.org

Association of Hawaiian Civic Clubs  Tel. 394-0050

Contact Person: Leimana Damante, Manager for the Ocean Resources Committee of the Association of Hawaiian Civic Clubs. You can reach her at leimana@fastnethi.com
This organization may be able to connect teachers with volunteers who are knowledgeable about specific ahupua’a in O‘ahu and can serve as experienced presenters for field trips or classroom visits. Toni Lee, President.
Address: P.O. Box 1135 Honolulu, Hawai‘i 96807
E-mail: hawaiimaoli@hawaii.rr.com

Board of Water Supply  Tel. 748-5312

Contact Person: Arthur Aiu, Communications Office
He can be a guest speaker in your classroom &/or give tours of the facility at Halawa (see Field Trip Folder in the first binder for more info).
Address: 630 S. Beretania Street Honolulu, HI 96843.

Hawaiian Electric Company  Tel. 543-7534

Contact Person: Sam Nichols, Education and Consumer Affairs.
Check out HECO’s Web site and look under “Generation-e” for the Resource Center and projects in the community. There, you’ll find out how to contact guest speakers on O‘ahu for a number of different topics related to energy. Also, there are many student readings, some lessons, and lots of videos and other materials to borrow.
Web site: www.heco.com

Ike Pono Hawai‘i, Hawaiian Traveling Resource Program (Kamehameha Schools)  Tel. 842-8781

Contact Person: Call toll free: 1-800-842-IMUA ext. 8781 to ask for a “Service Request Form”
Kamehameha Schools, Extension Education Division, offers presentations on selected aspects of the Hawaiian culture to students throughout the State of Hawai‘i. Reservations need to be made in advance and there may be a fee.
E-mail: www.ikeponohawaii.ksbe.edu
Kaneohe Bay Project  Tel. (808) 956-6147
This information is relevant for both the Introductory Unit and Unit 1 and you can view footage on the SciHI DVD of a field trip done here. The UH SOEST Hawaii Institute's Kaneohe Bay project monitors water quality and sediment processes in Kaneohe Bay in and around the Hawaii Institute of Marine Biology (HIMB), a university marine laboratory.
Web site: http://gcmd.nasa.gov/records/GCMD_UH_SOEST_Kaneohe.html
Email: kinzie@hawaii.edu (Dr. R. Kinzie)

The Nature Conservancy  Tel. (808) 621-2008
Contact Person: Stefanie Loo Jeft, Outreach Coordinator
The Nature Conservancy arranges class presentations linked to field trips. They can only accommodate up to 20 students, but are able to take them places they're not likely to see otherwise and involve them in restoration projects, among other things.
E-mail: sloo@tnc.org

School of Ocean Science and Earth Technology (SOEST) at UH-Mānoa
Check out their homepage for activities, outreach programs and a wide selection of speakers for your school. SOEST is very friendly and accommodating, even on fairly short notice. Also, every odd year (i.e. 2007 is next) they offer a 2 day science fair at UH-Mānoa that is well worth attending, with or without your students – the demos are very cool, and the UH students doing them are excellent presenters and role models.
SOEST homepage: http://www.soest.hawaii.edu
Outreach program: http://www.soest.hawaii.edu/soest_web/soest.outreach.htm
Speakers: http://www.soest.hawaii.edu/soest_web/soest.speakers.htm

Waimea Valley Audubon Center  Tel. 638-9199
Contact Person: Kelly Perry, Volunteer Coordinator
Visit this Audubon Center before bringing students on a field trip (esp. in Unit II: Kula/Midlands) or to increase your knowledge and find more resources. Go to Calendar of Events on the sidebar of the Web site below to view a variety of activities.
Address: 59-864 Kamehameha Highway
Haleiwa, HI 96712
Web site: http://www.audubon.org/local/sanctuary/Brochures/Waimea.html
E-mail: kperry@audubon.org or waimea@audubon.org

Note: Many more resources can be found in the Field Trips documents in this binder. Also, updates to www.SciHI.hawaii.edu are anticipated to include more such resources for each island.
HUMAN RESOURCES FOR KAUA‘I

Honolulu Advertiser Science Writer
Tel. (808) 245-3074
Jan Tenbruggencate has a regular column devoted to environmental and science issues (see www.honoluluadvertiser.com ... just scroll down to the bottom). In the summer of 2006 he joined teachers on an educational tour of the Northwestern Hawaiian Islands. He may be able to visit your classes given sufficient advance notice.

Web site: http://gcmd.nasa.gov/records/GCMD_UH_SOEST_Kaneohe.html
E-mail: jant@honoluluadvertiser.com
